Dear friends, Sabrina & Mission Law Office,

"The Glory of God is marvellously alive."

Through this letter, I would like to extend my heartfelt gratitude for the financial support that you have given to me so that I could finish my studies. No words are sufficient to truly express how grateful I am for the help that you extended to me. I am very lucky because, of all the children, who belong to the poor family, you have chosen me as one of your scholars because my parents can't support me financially. You didn't only help me, because you also helped my family because supporting me in my studies, lessen the expenses in our house..

The time runs so fast and things happened, the way it happened, and right now I'm already a Registered Social Worker. I could not believe that I am already a professional one at my very young age and I could not make it without you. Thank you very much for the support and help that you have given to me, to finish my studies and reach my ambition in life. As a one way of my heartfelt thanksgiving, I will pray everyday for all of you. May the Lord God would give you a good health and long life here on earth so that you can still help many other poor children who are in need.

God Bless you always and Thank You very much!!!

Truly yours,
Jennifer L. Coquilla
